PORTA-POTTY FOPAUX

Seems that Mr. John had been cleaning the M.A.R.S. Porta-Potty all winter long instead of the C.M.U. unit. I contacted the Mr. John office and explained what had happened and we will not be charged for those service dates. The club will start to receive service billing starting May 2, 2011.

2011 EVENTS

The clock is ticking and the amount of time left to get your events, and their committees together is running towards the short side. As to date we only have two events confirmed for the club, one being the Heli-Bash on June 18, 2011, and the second one is the 2012 Swap Meet.

GRAVEL FOR THE ROAD

A motion was made and seconded to spent up to \$600.00 for gravel for the roadway to the field. The proposed plan is to start the gravel at the corner by the apple trees, and continue to just shy of the parking area on the West side of the pit area. Bill Wittey stated that he would try to get us a good price from a source he knows. Anyone wishing to contribute financially can send monies to the club treasurer to help offset this cost.

2011 SUMMER MEETINGS

It was agreed upon that the club would hold it's meetings for the dates of June 14, July 12, August 9, and September 13, 2011 at the M.A.R.S. field. The start times for these dates is 6:30 P.M. Remember that this is an AIR-PLANE ONLY and TRAINING SESSION day along with the meeting.

NEXT M.A.R.S. CLUB MEETING

The next meeting is scheduled for MAY 10, 2011 at Kings, Wexford.
Meeting starts at 7:30 P.M.
